# SINGLE MARINE PROGRAM

## Monthly Newsletter

On April 8, SMP hosted a March Madness Party sponsored by Boingo. The Pickle Chalet provided the food for the event. A Boingo representative was present with giveaways and held a prize drawing at the end of the evening. Everyone who submitted a March Madness bracket received a \$15 gift card from the MCX. The bracket winner was Sgt Cody Cornell who won a \$100 Visa Card! Thanks to everyone who hung out with us!

### SINGLE MARINE PROGRAM DAYS OF SERVICE

The Single Marine Program Days of Service were held the week of April 22. Many volunteer opportunities took place throughout the week to include Earth Day and Military Wednesday at Antelope Elementary School and Read at the Child Development Center. During the Earth Day Celebration we built a community garden with the students. On Military Wednesday the Marines helped in the classrooms and had lunch with the kindergarten and first grade Earth Day Poster Contest winners. During our time at the CDC we were able to interact with the children and read to them and participate in their daily activities. Thank you all who participated in this. Your volunteerism helps to make this community work!
